THE EVENT

BETA CAE Systems is pleased to announce **7th BEFORE REALITY CONFERENCE**. Over the past 12 years our conference has become a premium gathering for the CAE Professionals owing its success to the contributors, the participants, and the CAE community that has embraced the event. We are, once again, delighted to invite you to our conference which will be held from May 30 to June 1 2017, at the MET Hotel, Thessaloniki, Greece.

Every two years our Event brings the CAE Community together and promotes an international exchange of the latest concepts, knowledge, and development requirements on our software products. During the event, technical papers outlining the latest advances in CAE Strategy, methodology, techniques and applications related to our products are presented, offering a unique opportunity for the presenters to lead and inspire by presenting their concepts, demonstrating their achievements, and sharing new development requirements.

THE TOPICS

The technical forum and contributed presentations will demonstrate the current status and the future trends of the application of the products of BETA CAE Systems, ANSA / EPILYSIS / META suite and SPDRM, in a spectrum of sectors**.** A wide range of topics on various simulation application fields and disciplines will be covered, including:

- CAE strategy & process planning,
- Process automation,
- Product and Simulation Data Management (PDM / SDM),
- Durability,
- Crash & Rollover,
- Occupant & Pedestrian Safety,
- Dynamics,
- Multibody simulation,

- Noise, Vibration & Harshness,
- Computational Fluid Dynamics,
- Optimization,
- Composite materials modelling,
- Climate control,
- Engine technology,
- Heat transfer,
- Simulation results assessment etc.

CALL FOR PAPERS

All those who wish to share recent advances and future trends in the analyses technologies, methods and practices for solving the problems of the modern Industry, using our software products, are welcome to contribute to the success of this conference.

One of the authors of each paper will receive free accommodation for the duration of the event, as a speaker, courtesy of BETA CAE Systems.

Abstracts of approximately 250 words should be submitted in English for consideration by March 3, 2017. Abstracts should clearly state the purpose, results and conclusions of the work to be described in the final paper. The author's name, organization, address, phone & fax numbers and email should be also clearly marked. The identification of the speaker among more than one author is required.

The language of the conference will be English.

Instructions to the authors and templates to be used for the submitted abstracts and papers are available for download at the conference's web-page at our web-site: http://www.beta-cae.com.

Abstracts submission will be made by email no later than March 3, 2017, to the address: congress@beta-cae.com
The notification of acceptance will be made by March 17, 2017.

Authors, whose abstracts will be accepted and are designated as speakers, will be asked to:
  ➢ register to the event using the registration link on the event's area on our website,
  ➢ submit a properly formatted final paper, no later than April 28, 2017.
  ➢ submit their presentation files no later than May 12, 2017.

The conference's proceedings will be compiled before the congress, therefore, please, respect the deadlines.

REGISTER AS SPEAKER

In order to keep a low overall budget for all the participants, there is no participation fee. Furthermore, speakers will receive free accommodation for the duration of the event, courtesy of BETA CAE Systems. Please, note that only one of the authors of each paper can be registered and hosted as speaker. Additional authors may register without participation fee as delegates.
Speakers' registration is essential for the organization of the event and the accommodation arrangements.

Speakers' registration includes:

  ➢ delegate pack and full conference attendance,
  ➢ accommodation and breakfast at the event's hotel, or the duration of the event,
  ➢ coffee breaks during the event,
  ➢ lunch and dinner for the duration of the event.

After the acceptance notification and no later than April 28, 2017, register as a speaker and request your accommodation using the registration form that can be found on the event's web page.

If you need a Visa in order to visit Greece, please check the "I need a travel visa invitation letter" box, in the registration form, and fill all required fields.
