

## Press Release

June 12, 2009

### ANSA & $\mu$ ETA User Event June 12, 2009, Bangalore, India

The principal aim of this event organized by **EASi** was to bring the CAE Community together with **BETA CAE Systems SA** and to promote an international exchange of the latest concepts, knowledge and development requirements on our flagship software products, ANSA &  $\mu$ ETA. Participants had the chance to be informed about the latest software trends, demonstrate their concepts and achievements and present new development requirements.

The engineers of BETA CAE Systems SA will give four extended presentations on the latest developments on ANSA and  $\mu$ ETA and on the latest trends in their deployment within the CAE processes.
