Upcoming Sponsored Events

Read all about this years' events where we will be present. BETA CAE Systems S.A. and its business partners will sponsor and exhibit at selected events of the Industry and the Academia. Our engineers will also present numerous papers that showcase state-of-the art solutions in CAE offered by our software.

Visit our [events page](#) for a detailed list of the events and presentations.

Don't hesitate to [contact us](#) for further details.

Servers maintenance

We inform you that this week, **from Friday, February 25th at 6:00pm until Sunday, February 27th at 10:00pm** all our electronic systems will be down due to a scheduled maintenance. Among the systems whose operation will be disrupted will also be our web server and our mail server. Due to this, we will not be able to serve you properly during the weekend. Thank you for your understanding.
