βBETA CAE Systems SA

Updated CAD data to ANSA translators
license key release announcement
August 1st, 2011

**CAD data to
ANSA translators**

BETA CAE Systems S.A. announces

the availability of an updated license key for the CAD data to **ANSA v13.0.5** translator.

Attention: Current license key is valid until September 30th, 2011.

CORRECTION: Original announcement's refrerence to v13.0x should be read as v13.0.5

BETA CAE Systems S.A. announces the availability of an updated license key for the CAD data to ANSA v13.0.5 translators (only) that are based on the technology of its supplier, CT CoreTechnologie GmbH (only).
The license key that was available until now for the above, is valid until 30-Sep-2011.
For keeping the CT based CAD Data to ANSA translators of v13.0.5 running, you need to download and install a new libCT.key according to the following instructions.
This announcement does not affect the CT based translators of ANSA v13.0.4 whose license key was updated last year.

Where to download from

Customers who are served directly by BETA CAE Systems SA. may download the updated license key from their account in our server. They can access their account through the user login link at our web site http://www.beta-cae.gr
Contact us if you miss your account details. The [Public] link will give you access to the public downloads area.
Customers who are served by a local business agent should contact the local support channel for software distribution details.

What to download

For getting the updated CAD Data to ANSA v13.0.5 translators license key:

Please login to your account at our server.
Follow the [PUBLIC] link at the top of the page.
In the folder TRANSLATORS_KEY you will find a sub-folder called ANSA_v13.0.5.
In this sub-folder there is a file called libCT.key dated 07-29-2011 (June 29th, 2011). Please download this file.

Installation

For keeping the CAD Data to ANSA translators of v13.0.5 running:

Download the file libCT.key dated 07-29-2011 (June 29th, 2011) as described above.
Place it inside the \lib\CT_2010_SP3\ sub-directory of your ANSA v13.0.5 installation location at your systems and overwrite any file with the same name in that folder.
The new license file is valid until June 9th, 2015 and replaces any previous.
