

## BETA CAE Systems partners with Alva's engineering college

Bengaluru, September 20, 2021

BETA CAE Systems and Alva's Institute of Engineering and Technology Moodbirdi have signed a Memorandum of Understanding (MoU) to initiate a close collaboration for the benefit of the mechanical and agricultural engineering students. BETA CAE Systems partners with Alva's engineering college to equip students with industry level knowledge allowing them to hit the ground running in the engineering simulation job market.

This collaboration will equip the students at Alva's engineering school with practical knowledge and exposure to the most recent developments and software tools, in the field of engineering simulation in applications related to the field of their studies.

The 180 hours of syllabi course designed to help bridge the gap between academic education and industry's skills and knowledge demand, will comprise of pre- and post- processor software training. The course will start in the third year of the studies and end in the final year of the Bachelor of Engineering studies.

### About Alva's Institute of Engineering and Technology

Alva's Education Foundation® (AEF) was born out of the entrepreneurial vision of Dr M Mohan Alva, an ayurvedic doctor, an educationalist, and a social reformer in Moodubidri, South India. Alva's Institute of Engineering and Technology is a premier engineering college situated in Mijar was founded in 2008 by AEF to provide affordable quality professional education to the youth of this underdeveloped region.

Established in 2008, AIET has launched path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff
