

BETA CAE Systems partners with Malnad College of Engineering

Bangalore August 9th, 2023

BETA CAE Systems India and Malnad College of Engineering, based in Hassan, Karnataka, signed today a partnership Memorandum of Understanding (MoU) for the proliferation of the knowledge in the domain of computational engineering.

This cooperation enhances the training of the students in the latest technologies and practices in Engineering Simulation. BETA will support the establishment of the “BETA CAE Systems Center of Excellence” computer lab, and the integration of the teaching of usage and applications of the BETA’s software, within the college syllabus, with software, educational material and know-how.

This initiative aims to meet the ever-increasing demand of the industry for engineers experienced in BETA’s software and to equip the students of Malnad College of Engineering with the basis for a successful career in engineering simulation.

“We are so excited signing this memorandum of cooperation, which is just the beginning of a very important co-operation” says Stavros Kleidarias, CEO of BETA CAE Systems India. “Our mutual intention is to spread the knowledge in engineering simulation and give prepare a successful career path, based on knowledge and experience required by the modern industry”.

About BETA CAE Systems

B E T A
SIMULATION SOLUTIONS

BETA CAE Systems transformed CAE by introducing revolutionary automation software tools and practices into Simulation and Analysis processes more than 30 years ago.

Committed to our mission to enable engineers to deliver results of high value, we continue to offer state-of-the-art, high-performance software and best-in-class services. Our simulation solutions liberate low risk and high Return-On-Investment innovation. The ground-breaking technology, the excellent services and our high standards of business ethics are the three pillars on which BETA was founded and grows since then.
