BETA CAE Systems S.A. has the pleasure to invite you to the 2012 open meetings in India, hosted by the Products Group of EASi. The **two events** will take place:

on **December 11th, 2012, in The Chancery Pavilion in Bangalore**, and
on **December 13th, 2012, in Le Méridien Pune, in Pune**.

These events aim to introduce the latest developments in ANSA and μ ETA Pre- and Post-Processing suite and to showcase its application in various CAE disciplines. The Technical Discussion session that will follow each event's closing will give participants the opportunity to meet in person with our engineers and discuss about the software features and their application.

BETA CAE Systems S.A. and EASi Engineering would like to express their appreciation to the invited speakers for their contribution.

The language of the events will be English.

The attire will be business casual.

Coffee servings and lunch are courtesy of EASi Engineering.

There is **no participation fee** for these events.

However, for the better organization of the event, we would appreciate if you register by email **no later than December 7th, 2012**.
