

BETA CAE Systems partners with NIT Andhra Pradesh

Andhra Pradesh, March 3, 2022

BETA CAE Systems and the National Institute of Technology Andhra Pradesh, have signed a Memorandum of Understanding (MoU) to train students in Computer Aided Engineering.

This partnership aims to train the students in the latest technologies and practices in Engineering Simulation. To achieve this, a course that will contain 180 hours of syllabi will be established. The course will start in the third year of the bachelor's degree, and end in the final year.

Eventually students who will decide to pursue a career in the engineering simulation market will be able to hit the job market ground running as they will be equipped with the skills in demand in the industry.
