

# BEFORE REALITY

MAY 20 - 22, 2019

CONFERENCE

Hilton Munich Park  
Munich, Germany

**Invitation**

**Call for papers**

**THE  
EVENT**

## Join the event that brings the simulation community together

BETA CAE Systems is pleased to announce the 8 BEFORE REALITY Conference. Over the past 14 years, our conference has become a premium gathering for Engineering Simulation professionals, owing its success to the contributors, the participants, and the simulation community.

Every two years, the BEFORE REALITY Conference, brings the simulation community together and promotes an international exchange of the latest concepts, knowledge, and development requirements on our software products.

**WHO  
SHOULD  
ATTEND**

The conference will be of interest to decision makers, strategy & methodology planners, simulation experts, applications users and researchers at the forefront of the CAE simulation for various disciplines, coming from OEMs and suppliers from a wide spectrum of industrial sectors, especially from, yet not limited to the: automotive, motorsports, railway vehicles, aerospace, shipbuilding / offshore, power tools, defence, energy, heavy machinery, biomechanics, chemical processes, electronics, etc.

All those who wish to communicate recent advances and future trends in the analyses technologies, methods and practices for solving the problems of the modern Industry, using our software products, are welcome to make the conference a success.

Please, refer to the Call for Papers for details on papers contribution.

**BENEFITS  
OF  
ATTENDING**

During the event you will have the opportunity to:

- Meet, exchange ideas, and collaborate with CAE experts from around the world.
- Present your success stories and innovative ideas and discuss them within a unique global forum.
- Keep up-to-date on the latest advancements in the field of CAE simulation with state-of-the-art software solutions.
- Interact with our software development teams and promote your requests to influence future software development.
- Enhance your relations with the technical support & services teams of BETA CAE Systems and with its representatives of the worldwide sale & support network.
- Learn more about our co-operations with leading hardware and software companies.

**THE  
TOPICS**

The technical forum and contributed presentations will demonstrate the current status and the future trends of the application of the products of BETA CAE Systems, in a spectrum of sectors, such as: CAE strategy & process planning, Process automation, Product and Simulation Data Management (PDM / SDM), Durability, Crash & Rollover, Occupant & Pedestrian Safety, Dynamics, Noise Vibration & Harshness (NVH), Computational Fluid Dynamics (CFD), Optimization, Composite materials modeling, Climate control, Engine technology, Heat transfer, Simulation results assessment, Virtual Reality, Concurrent Engineering & Collaboration, and more.

The language of the event is English.

**CALL  
FOR  
PAPERS**

## Share your success and contribute to the simulation world

Join us at the BEFORE REALITY Conference and share recent advances and future trends in the analyses technologies, methods, and practices for solving problems of the modern industry, using our software products and contribute to the simulation world.

## SUBMISSION

## Submit your abstract

An abstract of approximately 300 words, about your related to our software suite work, should be submitted in English for consideration.

The abstract should clearly state the purpose, results, and conclusions of the work.

No later than **March 3, 2019** submit your abstract through the event's area on our website.  
The notification of acceptance will be made by **March 17, 2019**

Presenting authors, whose abstracts will be accepted and are designated as speakers, will be asked to:

- register to the event,
- submit a properly formatted final paper or extended abstract, no later than **April 28, 2019**,
- submit their presentation files no later than **May 12, 2019**.

Download the Extended Abstract or Paper Template through our website.  
Please, respect the deadlines.

THE  
VENUE

Situated on the edge of Munich's famous Englischer Garten public park, Hilton Munich Park is only 30-minutes' drive away from Munich Franz-Josef Strauss airport and within easy reach of all of the city's major businesses and attractions.

Hilton Munich Park  
Am Tucherpark 7, 80538, Munich, Germany

## ROOMS

## Book your accommodation

Discount daily rates for the attendees of the event are offered by the **Hilton Munich Park** hotel, for reservations made until **March 22, 2019**. Use the reservation code: "**BEFORE REALITY**" in order to take advantage of this offer.

Discount Daily Rates:

The hotel is reserving a range of rooms for the event at special daily rates:

- King Guest Room Single rate 179 EUR
- King Guest Room Double rate 191 EUR

The above rates are quoted per room per night, inclusive of buffet breakfast.

Book a room at Hilton Munich Park  
Email: [reservations.munich@hilton.com](mailto:reservations.munich@hilton.com)  
Tel: **+49 (0) 89 38452525**

Check with the hotel the details of the terms and conditions apply to your reservation.

## REGISTRATION

## Register today

To keep a low overall budget for all participants, there is **no participation fee**.

All delegates will receive:

- Delegate pack and full conference attendance,
- Special rates at the Hilton Munich Park hotel.
- Coffee breaks during the event.
- Lunch for the duration of the event.
- Free attendance for one person to the Gala dinner.

If you need a visa in order to visit Europe, please check the "I need a travel visa invitation letter" box, in the registration form, and fill all required fields.

Register through the event's area on our website.
