2010 ANSA & μETA North America Open Meeting, May 19, 2010, Plymouth (MI), USA

BETA CAE Systems SA has the pleasure to invite you to the "2010 ANSA & μETA North America Open Meeting", hosted by BETA CAE Systems USA Inc.

The event will take place on May 19th, 2010 at "The Inn at St. John's", Plymouth, Michigan. This open event aims to introduce the latest developments in ANSA and μETA pre- and post- processing suite, to showcase its application in various CAE disciplines, and to give participants the opportunity to have a face-to-face discussion with our engineers. The detailed agenda will be soon announced.

Sponsored events

Automotive CAE grand challenge 2010, March 30-31, 2010, Hanau, Germany

organized by carhs GmbH

BETA CAE Systems SA is among the Gold Sponsors of the event.

Attendees are welcomed to visit our booth and be informed about the latest developments in CAE pre- and post-processing and about new solutions in Simulation, Process, Data and Resources Management.

Dr. Stylianos Seitani of Beta CAE Systems SA will be among the Software Solutions presenters for **Challenge 2: Robustness of Simulation Models.**

George Korbetis will present the Software solutions of Beta CAE Systems SA for **Challenge 6: Multi Disciplinary Optimization.**
