

BETA CAE Systems S.A.
and **BETA CAE Systems USA Inc.**
invite you to the
2013 ANSA & μ ETA North American Open Meeting

Invitation

BETA CAE Systems S.A. is pleased to invite you to the 2013 North America Open Meeting, hosted by BETA CAE Systems USA Inc., at The Inn at St. John's, Plymouth (MI), on the 2nd of October.

During this event you will have the opportunity to participate in sessions on the latest developments and real case applications, on various CAE disciplines, of ANSA, μ ETA, and our new product SPDRM (Simulation Process Data and Resources Manager). Among the numerous presentations are those of BASF, Chrysler Corporation, Ford Motor Company, Navistar, Ohio State University, Oakland University and Keyvan Tahmasebi.

Following the event's closing, the "Technical Discussions" session will offer you the opportunity to discuss with our engineers the software features, their application, and the future developments.

BETA CAE Systems S.A. and BETA CAE Systems USA, Inc. would like to extend their appreciation to **Marios Lambi, Manager, Advanced Development & Computer Aided Engineering, BASF Engineering Plastics**, for his contribution to the success of this event, as a keynote speaker.

There is **no participation fee for this event**.

Please, [register using this form](#) no later than **Friday, September 27th, 2013**.

The attire will be business casual.

Breakfast, coffee servings, lunch and reception are courtesy of BETA CAE Systems USA, Inc.
