BETA CAE Systems and BETA CAE Italy
invite you to the 2014 BETA CAE Italy Open Meeting in Turin

Invitation

BETA CAE Systems S.A., the leading contemporary industry supplier of CAE software, and its subsidiary in Italy, BETA CAE Italy Srl., have the pleasure to invite you to the **2014 Open Meeting in Turin, Italy**.

The event will take place on **March 20th, 2014 at NH Lingotto Tech Hotel, Turin**.

During this event you will have the opportunity to participate in sessions on the latest developments and real case applications, on various CAE disciplines and industries, of **ANSA, μETA**, and our new product **SPDRM** (Simulation Process Data and Resources Manager).

A number of very interesting presentations from **guest speakers** will feature this event's agenda. Impressive applications of our software, from the automotive, motorsports and other industries will be showcased.

BETA CAE Systems and BETA CAE Italy would like to extend their appreciation to our customers who accepted our invitation to contribute to the success of this event with their presentations.

Following the event's closing, the "Technical Discussion" session will offer you the opportunity to discuss with our engineers the software features, their application, and the future developments. A team of CAE experts from BETA CAE Systems and BETA CAE Italy will be pleased to meet you in person and exchange knowledge, experience and visions.

There is **no participation fee for the event**.

Please, register by email **no later than Monday, March 17th, 2014** to italy@beta-cae.it.

The attire will be business casual.

The event is organized and hosted by BETA CAE Italy Srl.

Free parking is available at the event venue. Ask from the hotel reception personnel to assist you.
