

BETA CAE Systems and Hankook AAC  
invite you to the 2014 BETA CAE Korea Open Meeting  
in Seoul

### Invitation

**BETA CAE Systems S.A.**, the leading contemporary industry supplier of CAE software, and its business partner in South Korea, Hankook AAC, have the pleasure to invite you to the **2014 Open Meeting in Seoul**.

The event will take place on **June 17<sup>th</sup>, 2014 at InterContinental Seoul COEX**.

During this event you will have the opportunity to participate in sessions on the latest developments and real case applications, on various CAE disciplines and industries, of **ANSA**, **μETA**, and our new product **SPDRM** (Simulation Process Data and Resources Manager).

A number of very interesting presentations from **guest speakers** will feature this event's agenda, showing impressive applications of our software in different sectors.

BETA CAE Systems and Hankook AAC would like to extend their appreciation to our customers who accepted our invitation to contribute to the success of this event with their presentations.

Following the event's closing, the "Technical Discussion" session will offer you the opportunity to discuss with our engineers the software features, their application, and the future developments. A team of CAE experts from BETA CAE Systems and Hankook AAC will be pleased to meet you in person and exchange knowledge, experience and visions.

There is **no participation fee for the event**.

Please, register by email **no later than June 11<sup>th</sup>, 2014** to [coolzan@aacc.co.kr](mailto:coolzan@aacc.co.kr).

The attire will be business casual.

The event is organized and hosted by Hankook Automated Analysis Corp (AAC)
