

## BETA CAE Systems S.A.

announces the availability of  
two updated CT license keys for the "CAD data to ANSA" translators  
of versions 13.2.4 to 14.1.3 and 14.2.0 to 15.0.3.

Attention: Currently active CT license keys included in the above mentioned versions  
are valid until September 30<sup>th</sup>, 2014.

### About this update

BETA CAE Systems S.A. announces the availability of the updated license keys for the "CAD data to ANSA" translators of versions 13.2.4 to 14.1.3 and 14.2.0 to 15.0.3 which are based on the technology of CT CoreTechnologie GmbH (only).

The current CT license keys included in the above mentioned versions are valid until 30-Sep-2014 and should be timely updated.

To keep the CT-based CAD Data to ANSA translators of v13.2.4 to 14.1.3 and v14.2.0 to 15.0.3 running, it is required to download and install the extended CT license keys according to the following instructions.

This affects the translations through both our stand alone translators and through direct "Open" in ANSA.

### Download

#### Where to download from

Customers who are served directly by BETA CAE Systems S.A. may download the updated license keys from their account on our server. They can access their account through the "user login" link at our web site <http://www.beta-cae.gr>

Contact us if you miss your account details. The [ Public ] link will give you access to the public downloads area.

Detailed instructions for downloading the keys follow.

Customers who are served by a local business agent should contact the local support channel for software distribution details.

Detailed instructions for installing the updated keys follow.

#### What to download

To get the updated "CAD Data to ANSA" translators CT license keys:

- Login to your account to our server.
- Follow the [ PUBLIC ] link at the top of the page.
- Follow the link to the sub-folder named TRANSLATORS\_KEY.
- For versions 13.2.4 to 14.1.3 download the libCT\_extended\_2012.key.
- For versions 14.2.0 to 15.0.3 download the libCT\_extended\_2013.key.

The above files are **dated August 25, 2014**.

### Installation

For the CAD Data to ANSA translators of **versions 13.2.4 to 14.1.3**:

- Download the file libCT\_extended\_2012.key, following the instructions described above.
- Rename it to libCT.key.
- Place it inside the /lib/CT\_2012\_SPX/ sub-directory of the corresponding ANSA installation location at your systems and overwrite any file with the same name in that folder.

This new key file is **valid until 21 March 2015**.

For the "CAD Data to ANSA" translators of **versions 14.2.0 to 15.0.3**:

- Download the file libCT\_extended\_2013.key, following the instructions described above.
- Rename it to libCT.key.
- Place it inside the /lib/CT\_2013\_SPX/ sub-directory of the corresponding ANSA installation location at your systems and overwrite any file with the same name in that folder.

This new key file is **valid until 30 March 2015**.

### Compatibility

These updated license key files affect only the "CAD data to ANSA" translators of versions 13.2.4 to 14.1.3 and versions 14.2.0 to 15.0.3, which are based on the technology of CT (CoreTechnologie GmbH).

This affects the translations through both our stand alone translators and through direct "Open" in ANSA.
